Two games are on the menu week. Wednesday night the Hope Legion third sucker last season. Flyers will come to Hope for a regular league contest.

Report Maxim Hopped Up Is Probed

Chicago June 12 - (A) - The question of whether Joey Maxim was or was not drugged the night he was mauled by Heavyweight Champion Ezzard Charles still is Although the Yankees knocked off. But here there is no premi- a puzzler for the Illinois Athletic commission.

The commission heard Maxim's manager Jack Kearns and head medical examiner Dr. J. M. Houston testify yesterday. Chaircourse in my life that I man Joe Trainer then ordered cash austomers those three days? couldn't figure out some way to Maxim and his trainer At Del Monte to appear before the commission June 25.

Kearns told the hearing that "acted as if he were

"Perhaps a left hook made him feel that way I don't know" added with precaution. Houston denied ever telling reporter that it was possible

Maxim's food could have been doctored before the fight. "The man was not doped" Houston said. "He was just exhausted and was treated

controls are not needed. Mr. Truman wants the law strengthened to provide new powers over prices wages rents and strategic materials.

Criticism of the present controls have come from farm organiza tions notably catlemen whose livestock prices have been rolled back various business groups and some labor organizations. Generally labor union witensses have been supporting controls while cautioning against what they describe as to much restriction of wage in

creases. Discussion of the economic control pr ogram gained intensity over the week-end after Democratic and Republican leaders met Friday with Mr. Truman and promised to hasten work on an exten-

sion bill.

The Democratic national committee entered the campaign urgng the people to write congress for quick action against inflation. Senator Taft (R-Ohio) said on a radio program (WINX Meet Your Congress) yesterday that he extimates government spending for 1953 will reach \$900,000,000 just twice this year's outlay.

At that rate Taft said "I doubt very much if we can restrain in-flation." He urged that "we spread our spending and go a little slower" in meeting the announced goals for defense.
